## **BUILDING SOCIETY OPENS IN CANNONVALE**

Queensland's second largest building society, Wide Bay Australia Ltd, has opened an agency at Cannonvale.

Wide Bay Australia, with 36 existing branches and agencies in four states, has opened an outlet in conjunction with the Partners of Macrossan & Amiet Solicitors at Whitsunday Business Centre, Shute Harbour Road.

The agency offers full retail branch banking facilities and a full time Loans Consultant is also available to attend to home and business finance needs.

Ron Hancock, Wide Bay Australia's Managing Director said he looks forward to welcoming local people as customers of the building society.

"We have a reputation of providing superior customer service and competitive products and are very excited about expanding our presence in Cannonvale.

We now offer people, families and businesses in the Whitsunday region an alternative to the major banks.

In particular, our building society is currently helping over 10,000 loan customers to obtain a home of their own with our competitive and flexible home loans.

Apart from home and business finance, Wide Bay Australia provides term deposits; savings, investment and everyday bank accounts; and general banking services. We also arrange insurance, credit cards, foreign exchange and wealth creation and financial planning in association with some of Australia leading providers of those services.

Our banking hours are 8.45am to 4.45 pm Monday to Friday which is generally earlier and longer than most banks.

Mr Hancock invited local people in to meet the Cannonvale staff and find out how Wide Bay Australia might assist them with their banking and finance needs.
